April 1, 2010

RE: Trash Collection

Dear Homeowners:

Thank you for your patience while we transition from AAA to Patriot trash services. We are in the process of finalizing a date for when AAA will come out to pick up the remaining trash totes and recycling bins. As soon as we have this date we will send an email and post this date on the website.

In the meantime we are asking all residents to begin using the designated Patriot containers for disposal of household trash and the recycling bins for recyclable materials. The first day of pick up will be tomorrow April 2, 2010 for household trash.

If you are in a single family residence and do not have a trash tote or are in a townhouse residence and do not have a recycling bin please contact Patriot directly at 703-257-7100.

Again thank you for your continued patience during this time. Should you need additional assistance please contact the office at the number below. Regular office hours are Monday – Thursday 9:00am-2:00pm

Sincerely,

Compton Village HOA
